

## Pros

Woman were finally seen as people and allowed to go with the men.

Slaves were given a choice of freedom if they fought.

Native Americans were able to live freely for a bit.

## Cons

Woman had to leave homes and kids in some instances to satisfy men.

Slaves had to offer their lives in order to have a "chance" at freedom.

Native Americans image was used and many of them got slaughtered during East West conflicts.

Use your T-Chart to help find good arguments and possible counter arguments in order to make your Blog as persuasive as possible. You will be able to use these notes in class discussions and debates.
